

HOW TO JOIN THE COMPUTER CLUB

The first step is to fill out the online membership application on the Club's web site at <http://myscacc.com>. Clicking on **Join the Club** in the Navigation menu on the left will take you to the application form shown here.

In the Account information section, type in your Sun City Anthem ID number, e-mail address and desired password. Your e-mail address must be unique on the web site. If two people from the same household want to join the Club, they may not both use the same e-mail address. If you do not have an e-mail address then you should obtain one from one of the many free ones available from Yahoo, Google, Hotmail, etc.

In the Personal information section type in your first name, last name and Sun City Anthem street address. Do not add any city or state name. Select your zip-code. Finally we request you enter your telephone number in case we need to contact you.

With all the information completed, click on the **Create new account** button. Your application is then submitted. To complete the membership process you must come to the Computer Club during normal business hours and see the monitor on duty. Bring your Anthem ID card.
